### Rules and Definitions

*\*Out of Box Awards will be awarded in each appropriate category. Only the kit parts can be used. You may not rescribe detail unless it is to restore lost detail from sanding. You may add antennae, seat belts and used alternate decals. Instruction sheets must be placed with the entry form to qualify.*

*\*Categories may be split or combined at the Head Judges discretion. Every effort will be made to inform the participants if such an event were to occur.*

*\*In the interest of fairness and impartiality, members of the Guelph Plastic Modellers Group will not be entering the contest.*

**\*\*The contest area will be closed to the public during judging\*\***

*\*First, Second, Third and Out-of-Box awards will be placed with the appropriate entries at time of judging. Special awards and Best of's will be announced and presented after the room re-opens. We request that all entries remain on the table until all awards have been given out.*

**!Please limit photo documentation of your build to Scratchbuilt and Major Conversion categories!**
