

And Now: Some Words For Our Sponsors...

Thanks for your interest in sponsoring at **MegaCity Model Motor Madness**. The event will be held this year on **Sunday, September 26, 2010** at the **Scarborough Village Recreation Center**. This is our 13th Annual event at this same location. You will be supporting the car modeling hobby and obtaining some excellent exposure to a target audience for your business as well.

Cost of sponsorship is as follows:

- \$50 for a single Regular category (3 plaques – 1st, 2nd, 3rd)
- \$50 for a Craftsmanship (a single larger plaque)
- 2 or more categories – subtract \$5 per each additional

If you wish to sponsor a specific category, look over the classes on the attached flyer to help select. *Some sponsors choose to let their sponsorship cover any open category as required.*

Please understand, while we try to accommodate most requests, not all categories are available due to prior or long-term commitment.

When you've decided, fill out the form on the next page, attach your payment and send it to the address shown.

Sponsorships are sold on a first come – first serve basis, so don't delay!
